Dear Parents,

Winter doesn't officially begin until December 21st but we're already planning for Summer 2017!

A major piece of that plan includes the location of the Lesley Ellis Summer Program. The first 2 weeks of the summer program will be held here Lesley Ellis and we are pleased to announce that the remainder of the program will be held at the [Brackett School, 66 Eastern Ave. here in Arlington](#). Brackett has wonderful classroom space and lots of outdoor green spaces and play structures for our use, including Robbins Farm Park which is directly across the street.

We will continue to offer our full slate of amazing activities, including swimming, all led by an experienced, carefully trained, and caring staff.

In January the summer brochure will be published. We'll have more details to share about specific logistics of the program at that time.

Warmly,  
Deanne
