LESLEY ELLIS AFTERSCHOOL

2016-2017

Preschool through Grade 8

Lesley Ellis Afterschool provides a safe space for students to express themselves and build their self-esteem. With lots of various activities students can choose what sparks their interest. Our afterschool program is a fun and educational way for children to discover their passions.

Our afterschool is staffed by many LES faculty members and student teachers who continue to share their love for teaching into the afternoon. They provide support with homework, along with exciting new activities in art, math and science. They serve as role models for community building and problem solving.

In addition to our Afterschool Program we also offer...

*** Music lessons with Allegro Music School**

*** Vacation Program for some holidays and non-school days**

*** LES Summer Program
Preschool - 8th grade grade**

LES AFTERSCHOOL INFORMATION

Children will participate in an activity each day in afterschool. In addition, there is a homework/quiet reading time and an opportunity to play outside.

- **Afterschool classes are offered in five, 2-month sessions. Sessions are 4-8 weeks long and meet weekly.**
- **Enrollment is on a first come-first served basis.**
- *** Denotes an additional fee**
- **We can accommodate drop-ins. Please fill out an Extended Hours form in the office. Some activities are not open to children enrolled on a drop-in basis.**
- **Please send a snack each day.**
- **Vacation Program is available on Early Release days and various non-school days.**
- **Pick-up time is at 5:30. Parents arriving after 5:30 will be assessed a late fee.**

If you have any questions, please contact Jeanette Keller at jkeller@lesleyellis.org or at 781-641-5987.

Afterschool also offers instrumental music lessons through Allegro Music School. Parents must enroll in music lessons directly with Allegro Music School. allegromusic.org

Early Childhood Afterschool

Our **Early Childhood Afterschool Program** is created specifically to provide a safe, fun and enriching afternoon. This program includes the latest and greatest thinking to help boost children's skills. Art, dramatic play, math, science, problem-solving, motor skills and more - you'll find our curriculum has a variety of age-appropriate group and individual activities designed to keep children exploring and growing.
