LES Vacation Program 2011-2012

"nature observations and photography at Spy Pond"

What's it all about!

Vacation Program at Lesley Ellis School is a great way for children to enjoy a non-school day while their parents are at work. Each day has a specific theme and is filled with related activities.

We have two programs; Early Childhood (PS, PK, and TK) and Elementary (K-6th grade). Each program is designed to offer age-appropriate educational and physical activities, crafts, and games. These programs are a great way to keep the children enriched, entertained and active.

Full day programming typically includes a field trip to such places as the Boston Museum of Science or Menotomy Rocks in Arlington. We will return to school in time for activities and outdoor playtime before the 3:15 pick-up. Children staying until 5:30 will have additional activities. Depending on the length of the field trip the children will eat a picnic lunch at our destination or return to school to have lunch.

Half day programming usually includes an interesting craft project, a walk to a local attraction, or a visit from a special guest.

Enrollment is limited so that we can ensure a fun and safe day for all the children. Please sign up now if you know that you will need childcare on any of the program days, or sign up during the year as far in advance as you can to insure a space for your child. Siblings of Lesley Ellis students who are Preschool age through 6th grade and do not attend Lesley Ellis are also welcome during school vacations if space is available.

We look forward to spending some time together with your child.

Sincerely,

Jeanette Keller, Auxiliary Program Coordinator

Please take a look on the back for this years dates!

- Enrollment is on a first come-first serve basis
- Vacation Days require a minimum enrollment or have a maximum enrollment.
- Pick-up times are at 3:15 and 5:30. Parents arriving after these times will be assessed a late fee.
- If you have any questions please feel free to contact me at jkeller@sfcinc.org

Here's how it works!

Early Release Days = "Art Explorers"

From interactive visits to art museums, local artists, and hands-on activities These days will be spent enriching our encounters with art.

Holidays and Conference Days = "Out and About"

Each day we will have tons of fun when we take to the streets. Your "guides" will bring you to our famous museums, show you the coolest landmarks and let you explore the world outside our school doors.

Full week vacations = "Kids Kamp"

Weeklong themes will be incorporated into everything we do for four whole days. Each week will be filled with a variety of activities and events that revolve around our theme.

Forms can be found on our website www.lesleyellis.org as well as more information about all the programs we offer.
